

# Updates

**January 2011**

Happy New Year!

We wanted to start of the year right - with an update! Each month, you will receive an "Updates" newsletter with our most recent resources (articles, podcasts, videos), as well as our upcoming events (speaking engagements, public workshops).

We know your inbox space is precious, so now you can find it all in one place! As always, we welcome your suggestions. You may change your email preferences at any time by using the links at the bottom of every email.

Sincerely,

Traci Long  
ProAct Safety

### Articles

#### Ownership in Safety: The Challenge of Increasing Headcount

As organizations increase in size, it can become progressively more difficult for safety to "operate like a well-oiled machine and get everyone on board." As a company or site grows, so does the amount of influencers. The challenge is to ensure that positive influencers increase while, correspondingly, negative ones decrease....[read more](#)

#### Challenging, Changing Five Dangerous Safety Perceptions (pt 2)

Positive perceptions about safety are critical to safety

excellence; they harness significant conditioning influence on employees....[read more](#)
